Want to Give
us a Hand?

Try Child
Sponsorship!

Baja Vision Ministries

Want to give us a hand?

So, you've become a fan of City of Angels Children's Home, and now you want to help us out. Maybe you came down on a missions trip, or

maybe you heard about us through a friend. Maybe you just fell in love with our kids, and now you want to give them a hand.

We have the solution! Sorry, we can't let you take any of our kids home with you, but we can help you get to know one of them better... or more than one if you'd like! With our Child Sponsorship program, you can help us support one or more of our children while simultaneously building a special relationship with him/her through letters, gifts, or even visits.

Here's how:

1. Fill out and return the attached form, or visit our website and fill out the online sign-up form.
2. Receive a profile of the child you have chosen to sponsor so that you can begin to get to know him/her better.
3. Send us \$50 each month to supply your child with food, clothing, and an education.
4. Send letters or packages and begin to develop a lasting friendship with your sponsored child... anytime you want!

Here's how it works...

BVM's Child Sponsorship program is a way for you to help ensure that the children of City of Angels have clothing, food, water, medical care, and a good education. As a Child Sponsor, you commit to sending us \$50 each month to help meet the needs of your sponsored child. That may not be much for you (just \$1.65 a day), but it will make a significant difference in the life & future of a child here in Mexico.

Rest assured that 100% of your sponsorship dollars are used to meet the needs of our children.

More importantly, through committing to give us a hand, you have the opportunity to make a lasting impact on the life of a special child. When you sign up to be a Child Sponsor, you can choose which child you wish to sponsor. Or if you don't have a specific child in mind, we would be glad to choose one for you, the child who needs your help most.

Once you have selected a child, we will send you a profile of your child and information about how to contact him/her. In this way, you can begin building a special relationship with your child that will last for years to come!

Please fill out this form and return it to Baja Vision Ministries. If you prefer, you may visit our website and complete the online application.
