

In recent years, a growing number of families have migrated to Tijuana, Mexico with dreams of a better life. The disappointing truth is that they often end up with no money, no home, and no extended family to turn to. Many times the children of these families end up on the streets.

Tijuana, Mexico

In July 2000 Pastor Sergio Gomez founded City of Angels children's home. Located just twenty minutes from the

US-Mexico border City of Angels seeks to meet the needs of these otherwise street children. Pastor Gomez has dedicated his life to helping the

needy of Tijuana. Aside from the children's home he has also been involved in the building of more than one thousand homes for families living in poverty.

You Can Help

City of Angels exists to meet the needs of some of the thousands of children living in extreme poverty in Tijuana, Mexico. We are a Christ-centered home that provides food, shelter, schooling and -most importantly- love to the children in our care, many of whom would otherwise be abandoned to the streets.

We receive no funding from the Mexican government therefore God has faithfully provided for the home in the last five years through generous donations from various individuals, churches, and organizations in the United States and Canada. We are here to serve Him and are thankful that He is allowing us to have such a positive impact on the thirty children who call City of Angels home.

Please read through the items on the following page for specific ways that you can partner with City of Angels.

Prayer

Remember us in your prayers in the following areas:

- the health of the children and staff
- the unity within the children's home
- the financial situation
- our children's families

Mission Trips

You and a group can come down to volunteer your services. Your group can commit to accomplishing a set task such as:

- building onto our facility
- bettering what structures we already have by tiling, painting, cementing, repairing, etc.
- children's programs like vacation bible school
- Spice it up! Throw a party for the kids: pizza, cake, piñata.
